**THE POWER TO  
MOVE FORWARD**

**LIGHTFORCE®**

**High-Intensity Laser Therapy**

Intelligent, Trusted, and Built to  
Move Your Practice Forward

# PAIN SHOULDN'T PAUSE PROGRESS

Exceptional outcomes require exceptional tools—and LightForce® delivers both.

From athletes to everyday patients, pain can halt motion, momentum, and motivation.

LightForce® redefines recovery and delivers measurable results that clinicians can see and patients can feel.

## Science You Can Trust. Results You Can Stand Behind.

LightForce® helps clinicians deliver clinically proven outcomes with confidence, for every patient, every time.

Clinically validated for pain relief and accelerated recovery<sup>1-4</sup>

FDA-cleared, non-invasive, drug-free treatment option

Designed to deliver real results, often in 4-7 minute sessions

Helps clinics diversify revenue without compromising care<sup>5</sup>

## Built-In Intelligence. Performance That Stands Out.

LightForce® is more than just laser therapy. It's a system designed for reliable performance, so clinicians can recommend it with confidence.

- **Class IV High-intensity Laser:** An FDA cleared medical device delivering more power, faster—to reduce pain and promote accelerated recovery.
- **Smart Dosing Protocols:** Influence® Technology and Perfect Protocols make every treatment easy and consistent.
- **Empower IQ™ Delivery System:** Improves dosing accuracy by monitoring motion and providing real-time visual and haptic feedback.
- **Massage Ball Treatment Head:** Part of a variety of treatment heads, the patented roller ball provides compression and massage while enhancing laser penetration.
- **Portfolio Offering:** Options designed for every kind of practice, from portable systems to high-powered in-clinic solutions.
- **Seamless Integration:** Easily integrates into your current treatments, supported by our care team from day one.

## Proof in Practice.

LightForce® empowers clinics to elevate patient satisfaction and practice reputation with a science-backed, marketable treatment that patients feel and remember.

**250+**

Professional and Collegiate athletic programs choose LightForce®.<sup>6</sup>

**98%**

Patient satisfaction with HILT treatment outcomes.<sup>5</sup>

**4,500+**

LightForce® systems installed nationwide.<sup>7</sup>

**91%**

of patients had a clinically meaningful reduction in pain after treatment with laser.<sup>4</sup>

# A TRUSTED PARTNER, FROM ONBOARDING TO BEYOND

Implementation like only Chattanooga can deliver.

No one integrates high-intensity laser therapy like Chattanooga, and no one stands behind you like we do.

For decades, Chattanooga has been the trusted partner clinicians rely on—a brand known for dependable technology, consistent results, and dedicated support. Our commitment to advancing rehabilitation care has made Chattanooga a name clinicians know they can count on.

Building on that legacy, LightForce® is designed to fit naturally into your existing workflow, giving you an advanced therapy solution that works the way you do.

And from the first treatment onward, you're supported. With Chattanooga standing behind you every step of the way, you can count on ongoing guidance, training, and service to ensure you get the most out of the product from day one and long after.

## Comprehensive Support at Every Stage

**Financing:** Flexible financing options and integration plans that fit your practice's budget and growth goals.

**Personalized Installation:** Tailored setup designed for your clinic's space, preferences, and workflow.

**Robust Training:** Hands-on support, personalized onboarding, and medical education opportunities provide assurance that you're never on your own.

“With Chattanooga, it’s not just getting the product—it’s getting the education materials, it’s getting the training, and then having continuing support even after the sale.”

Dr. Sterling L. Carter, PT, DPT, MS. CSCS, CST

**Business Integration:** Live workflow evaluations and access to integration tools and strategies that boost productivity from day one.

**Marketing and Patient Resources:** Tools to help your team introduce laser therapy effectively and profitably.

**Ongoing Support:** Guidance from customer care specialists, local representatives, and rehabilitation experts.

# EMPOWERING CLINICS TO SUCCEED

LightForce® was built with your success in mind.

From installation to ongoing education, Chattanooga invests in your success. Whether it's clinical training, marketing resources, or responsive service, you're backed by a team that understands and supports the everyday challenges of practices.

That's why Chattanooga equips clinics with tools and guidance to help make laser therapy not just clinically effective, but financially rewarding.

From implementing cash-pay services to hosting open houses that attract new patients, Chattanooga's industry-tested programs make it simple to integrate and scale your laser business.

With Chattanooga's unmatched experience and LightForce's dedicated support team by your side, you'll have the clarity, structure, and confidence to move your practice and your revenue forward.

## Revenue-Generating Program Guidance:

**Cash-Pay Services:** Guidance to implement self-pay offerings confidently, compliantly, and sustainably.

**Open House Support:** Strategies to plan and host engaging events that generate patient interest and demand.

**Training Programs:** In-person and virtual training options designed to build team confidence and consistency.

**Staff Communication Scripts:** Clear, ethical conversation guides that help your team explain laser therapy with confidence.

**ROI Calculator:** Interactive tools to track performance, forecast revenue, and measure program success.

“Chattanooga helped me from start to finish integrating this product: walking me through the procedures, speaking with my front office staff, and educating us in depth on the technology behind it.”

– Dr. Steven Nieto, DPT, OCS, CERT. SMT

## Access to Marketing Resources:

### **Patient Education Materials:**

Brochures and resources to help patients understand the value of laser therapy.

### **In-Clinic Display Assets:**

Marketing materials designed to promote services and spark patient interest.

**Promo Kits:** Ready-to-use print and digital assets for easy, consistent outreach.

**Customizable Content:** Images, social posts, and website templates tailored to your clinic's branding.

**Event & Communication Templates:** Editable open house forms and suggested messaging to streamline patient engagement.

# ADVANCING YOUR PROFESSION, TOGETHER

Empowering clinicians through education, collaboration, and meaningful industry partnerships.

Our investment extends far beyond our products.

Partnering with leading professional associations and a network of more than 20 respected thought leaders in the field

Participating in continuing education events, including our medical education lectures at regional and national conferences

Collaborating with researchers and educators who are shaping the next generation of care, with 18 university courses and labs taught

## PROUD SUPPORTING SPONSORS OF:

Every innovation, every sponsorship, every relationship is designed to strengthen the profession and elevate the standard of care, today and tomorrow.

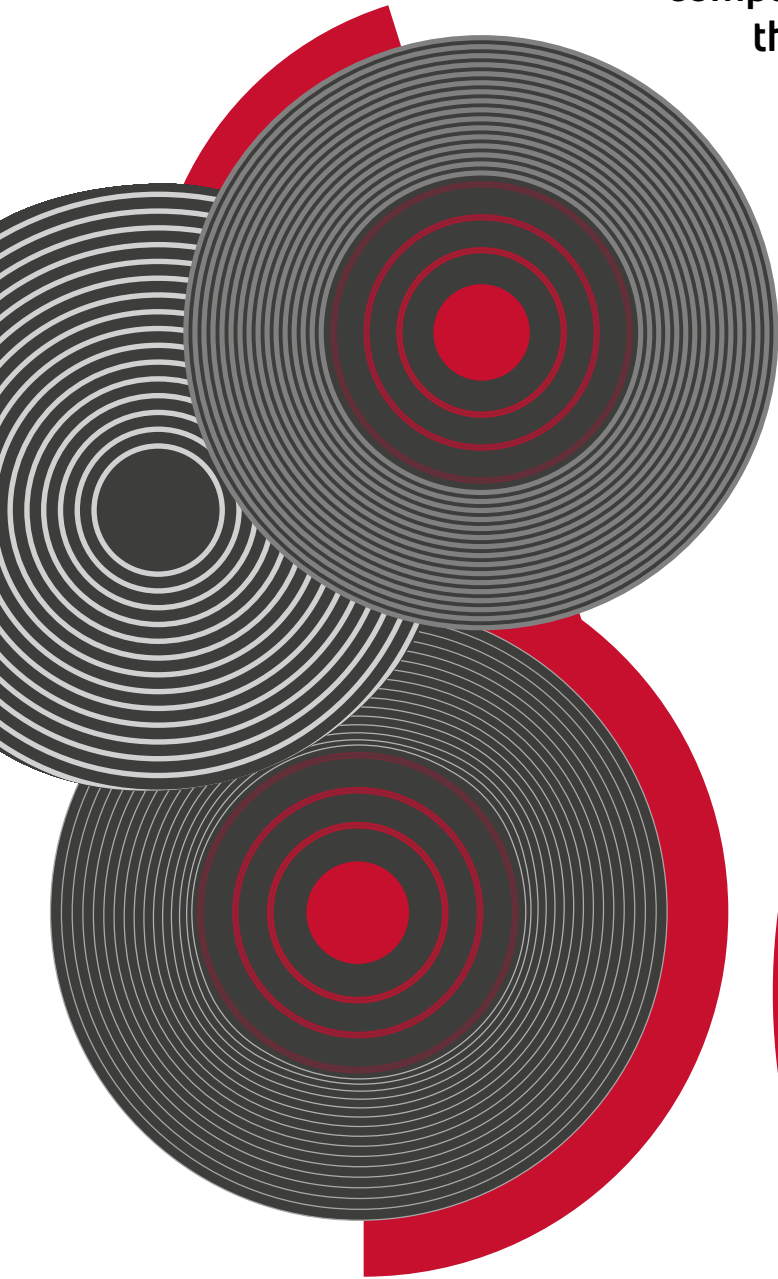

## PARTNERSHIPS FOR PRACTICE GROWTH:

We work to enhance your clinical mastery, fuel predictable cash-pay patient volume, and provide a scalable framework to grow your practice on your terms by teaming with:

**"If you're thinking about laser, make sure that you're set up with the right team and the right company that's going to provide the support that you need. And I'm sure there's a lot of great companies out there, but Chattanooga is one of the best."**

**- Dr. Sterling L. Carter, PT, DPT, MS. CSCS, CST**

# A HERITAGE OF HEALING

Built on over 75 years of Chattanooga® excellence and strengthened by the Enovis™ brand.

For nearly eight decades, Chattanooga has set the standard in rehabilitation. From traction and electrotherapy to advanced modalities like the Intelect® shockwave devices and LightForce® therapy lasers, we continue to lead with consistency, credibility, and care.

LightForce® carries forward a legacy of clinical excellence backed by the Enovis™ family—the only med tech company offering a portfolio that spans the full continuum of care, from prevention and rehabilitation to surgery, recovery, and performance.

With an array of clinical offerings, Chattanooga remains a familiar name in nearly every rehabilitative space—and with LightForce® devices manufactured by Enovis and serviced in the USA, plus comprehensive warranties and device loaner programs, Chattanooga delivers a complete package designed to protect your investment and empower your practice.
